Profile

I am a Computer science degree holder from Jomo Kenyatta University of Agriculture and Technology. (**JKUAT**). I am passionate about learning new programming languages and developing my skills in software development which will align with my commitment to providing exemplary first-level ICT support. I am a hard-working individual who will go theextra miles to make sure I achieve my goals and therefore I believe that am an asset to anorganization.

I am looking for an Organization or a role where I can grow, contribute and learn fromexperienced team members.
